How to Start and Earn?

- Once you receive a Metapeak referral link from your friend, establish a Tokenpacket wallet.
- Go to discovery page in token packet and in that browse your friend referral link. You will get a registration page. Now, complete your registration.
- Next, you need to increase your wallet balance. You need to transfer funds from Tokenpacket to Metapeak Activation Wallet, for which you need to maintain a BNB and USDT balance.
- Next, deposit funds through the smart contract and Topup the packages one by one.
- Copy your referral link and refer more friends. Then enjoy your fast non-stop profits.

METAPEAK

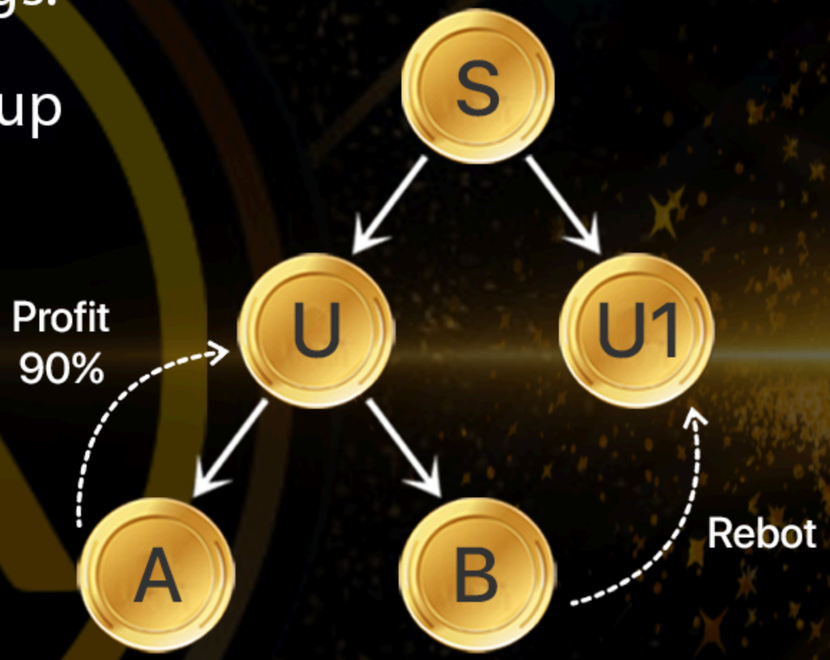
Bibot

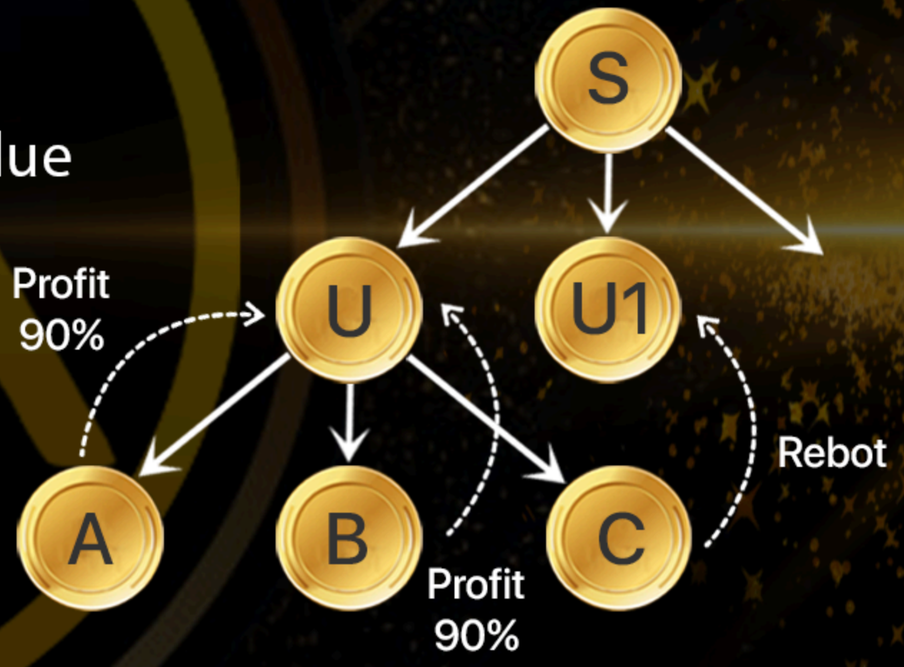
- Bibot is a team filling two-matrix scheme. It has two legs.
- In this bot, each left leg earns 90% profit from the top-up value for the introducer.
- Each right leg earns 90% profit to the 2nd level introducer from the top-up value.
- Every right leg brings rebirth to the introducer under the upliner.



METAPEAK

Tribot

- Tribot is a team filling three-matrix scheme. It has three legs.
- In this bot, every left leg earns 90% profit from the top-up value for the introducer.
- Every middle leg earns 90% profit from the top-up value for the introducer.
- Every right leg earns 90% profit to the 2nd level introducer from the top-up value.
- Every right leg brings rebirth to the introducer under the upliner.



METAPEAK

Fast Magic Bots

- This program is the world's fastest bot matrix system, providing quick and very large returns to everyone.
- Everyone has to buy these packages one by one, from the lowest price to the highest price.
- The project is completely decentralized and runs on the DeFi platform.
- These bots are very fast and it has continuous rebots.

METAPEAK

Speed Profit

- If your downline friends buy more packages than you buy, you will not be able to earn income from it.
- If you want to earn more funds, upgrade to 5 levels. This will avoid missed income.
- If you upgrade more packages, your earnings will increase based on seniority.

METAPEAK

How rebots work?

- Everyone get rebot under your upliner leg at the time of right leg activation.
- At the time your right leg is active, you will be rebot under your upline member.
- In the figure shown, S is your introductory member; U is your ID, U1 is your rebot ID; A, B and C are your subordinate members.
